ABSTRACT

Sahasra Adhi Pura is located in Wirun Village, Mojolaban District, Sukoharjo Regency, Central Java. Sahasra has a miniature of 50 ancient buildings from around the world, which will be developed and promoted to become the only religious tourism in Sukoharjo Regency. Sahasra Adhi Pura is a place of worship and meditation for Hindus. However, from time to time it can be used as a place for visitors to learn and take selfies. Sahasra Adhi Pura has unique potential in terms of its ancient buildings as well as the thickness of its Hindu Javanese culture. Make it easy for students to learn in terms of the history and meaning of the temple.
