A woman in a black and white patterned hijab and a black dress is standing and speaking into a microphone. She is positioned in front of the projector screen.

A long table covered with a red cloth is set up on a stage. Several people are seated behind the table, including a man in a grey shirt, a man in a black shirt and white head covering, and a woman in a yellow top. They appear to be listening to the speaker. There are laptops and some boxes on the table.

A woman in a brown hijab is seated at a desk on the right side of the room, working on a laptop. The desk is covered with a patterned cloth and has a projector on it.
